# Readers of Grosse Ile!

You may not know it, but Grosse Ile has the oldest continually operating book club in the state of Michigan. Our club has been a part of island life for over 90 years! If you enjoy reading and are looking forward to meeting a group of like-minded women, we hope you consider the Book Club of Grosse Ile.

The Book Club was founded in 1934 and continues strong today with 80 members. Our mission is to provide members with a rotating selection of current books, book discussions, programs of interest, and to promote the benefits of books and reading to the community.

There are two levels of membership, Associate and Active.  
All members both, Active and Associate:

- Meet a club full of friendly book lovers
- Attend 6 engaging book-related events each season
- Promote the love of reading in the community

While Active Members also...

- Participate in our circulation of newly published books carefully selected by our book committee
- Have the opportunity to read 20 newly published books each year for the price of one book - It's a cooperative group
- Get their book back at the end of the year after it has circulated.

Annual Dues:

\$30 Associate Member - allows you to attend book-related events

\$55 Active Member - allows you to attend book-related events, read and circulate some of the best books of the year, and buy one of the books curated by a committee.

For more information contact:

Kathy Kadau, President 734 552-5173

Judy Ventro, Secretary 734 552-9236
